

Music for desire in all its dimensions.

Official artist biography, selected releases, listening links, artwork, and story angles for journalists, curators, venues, and collaborators.

Current as of October 3, 2026 · Catalog details below are drawn from the published site.

ARTIST POSITIONING

The musical expression of Orgasmaphoria.

O4RIA is intimate, playful, and unguarded—music willing to follow desire wherever it leads. The catalog moves through country warmth, dance-floor momentum, bass-heavy release, vulnerability, surrender, and afterglow.

The project grows from Amanda and Peter's creative partnership and the larger Orgasmaphoria world. Lyrics, credits, and the stories behind published tracks are available through the website discography.

Name	O4RIA
Identity	Music project of Orgasmaphoria
Creative leads	Amanda & Peter
Catalog	14 published releases
Formats	9 albums · 2 EPs · 3 singles
Home	Full discography

SHORT BIOGRAPHY · 38 WORDS

Ready to publish.

O4RIA is the musical expression of Orgasmaphoria: intimate, playful, and unguarded. Created through Amanda and Peter's partnership, its genre-crossing releases explore desire, connection, vulnerability, movement, surrender, and the atmosphere surrounding them.

STORY ANGLES

Ways into the catalog.

- Music as part of an adult learning and creative platform.
- Genre shifts as different languages for desire.
- Lyrics and release stories as a second way into each track.
- How a shared creative practice grows from conversation and lived experience.
